

Beginning with founder Clark Abt's concept of a "social audit" for business, today Abt Global is committed to equity and sustainability throughout our global operations. We've always worked differently, pioneering what it means to be a social impact organization, inside and out.

We work to equip people with the tools, resources, and expertise they need to realize fair futures, build resilient systems, and create sustainable economic opportunities for healthy, secure lives.

OUR MISSION

TO IMPROVE THE QUALITY OF LIFE
AND ECONOMIC WELL-BEING
OF PEOPLE **WORLDWIDE**

We partner with clients and communities
IN 50+ COUNTRIES

to advance solutions in health, technology,
environment and social policy, and
international development.
